

Annual Fee Guide

Guide prices for private treatment, valid from September 2026. Every patient receives a full written treatment plan and estimate before any treatment begins.

Clear pricing, no surprises. Prices below are starting points and may vary with the complexity of your case. NHS treatment is charged at the standard NHS band rates, displayed at reception and on nhs.uk.

TREATMENT	WHAT IS INCLUDED	GUIDE PRICE
New Patient Examination	Full assessment, X-rays where needed and a bespoke written plan	FROM £65
Hygiene & Scale / Polish	Per session with our hygienist, including home-care coaching	FROM £75
White Composite Filling	Tooth-coloured, mercury-free	FROM £110
Crowns	Precision-crafted, per tooth	FROM £650
Teeth Whitening	Home or in-practice systems	FROM £350
Dental Implant	Per implant, including the crown	FROM £2,200

Prices are indicative starting points for private treatment. A precise, itemised quote is always provided in writing before treatment starts.

£ Ways to spread the cost

Denplan Membership **MOST POPULAR**

Spread the cost of your routine private care with a simple monthly direct debit. Routine examinations and hygiene visits included, plus worldwide dental injury and emergency cover. Ask reception for the plan that fits your needs.

Health Cash Plans

If you hold a health cash plan through work or privately, you can usually claim back some or all of the cost of routine check-ups and hygiene visits. We provide itemised receipts for every visit.

i Good to know

- Payment is taken on the day of each appointment by card or cash.
- Longer courses of treatment can be staged, with costs spread across your visits — we will set this out in your written plan.
- Missed or late-cancelled appointments prevent another patient from being seen; please let us know as early as possible if you need to rearrange.
- Recognised by BUPA and other major insurers — ask us for the paperwork your insurer needs.

Questions about costs or cover? Our friendly team is happy to talk you through the options with no obligation — call **01892 516030** or ask at reception.
